Year 10 English & Math

LEARN KEY SKILLS IN THE HOLIDAYS!

Year 10 is one of the foundation years for your HSC success, so the skills to learn now can make all the difference later. At Matrix we have the most experienced teachers working with the best, time-tested resources to help you excel.

COURSE OBJECTIVE

To help equip students with critical skills in English & Math, and ensure they have the foundation for success in the HSC English & Maths.

ENGLISH STUDENTS LEARN

Writing about Prose

✓ How to identify and use textual cohesive devices used in prose such as irony, motifs, imagery and contrast.
✓ How to use critical reading strategies to identify key information.
✓ How to evaluate author’s purpose, audience, attitude, argument within the prose text type.

MATH STUDENTS LEARN

Quadratic Equations

✓ Factorising quadratic expressions.
✓ Solving quadratic equations using factorisation techniques.
✓ Completing the square.
✓ Solving quadratic equations.
✓ Solving a variety of problems involving quadratic equations.

STRUCTURE

✓ 2 Lessons over 2 Days
✓ 2 Hours a Day
✓ Date: Thursday 24th & Friday 25th January 2013

ENGLISH STUDENTS RECEIVE

A booklet that contains writing templates, sample thesis statements and paragraphs, tips for academic register, structure and techniques.

MATH STUDENTS RECEIVE

A booklet containing the theory, worked examples & exercises (approximately 50 pages) on Quadratic Equations.
