Year 9 English & Math

LEARN KEY SKILLS IN THE HOLIDAYS!

Year 9 is one of the foundation years for your HSC success, so the skills to learn now can make all the difference later. At Matrix we have the most experienced teachers working with the best, time-tested resources to help you excel.

COURSE OBJECTIVE

To help students learn essential skills in English & Math. Students will be exposed to key topics so they are confident in the material.

ENGLISH STUDENTS LEARN

Writing about Poetry
✓ How to identify and use textual cohesive devices unique to poetry such as form, rhyme and enjambment.
✓ How to use critical reading strategies to identify key information.
✓ How to evaluate author’s purpose, audience, attitude, argument within the poetry text type.

MATH STUDENTS LEARN

Indices and Surds
✓ Apply index laws to simplify arithmetic and algebraic expressions.
✓ Convert between surd and index form.
✓ Solve simple exponential equations.
✓ Simplifying expressions involving surds and the four operations.
✓ Expand expressions involving binomial products and surds.
✓ Rationalising denominators.

STRUCTURE

✓ 2 Lessons over 2 Days
✓ 2 Hours a Day
✓ Date: Monday 22nd & Tuesday 23rd April 2013
