English Advanced

ARE YOU PREPARED FOR YOUR HSC EXAMS?

At Matrix, we have the most experienced HSC teachers working with the best resources to help you meet your ATAR goals. We know exactly what it takes to maximise your chance of success, and will teach you the most effective examination strategies and techniques.

COURSE OBJECTIVE

✓ To provide an intensive review of HSC English texts required for the final examinations, and show how students can fulfil and exceed their expectations of the exam, including unseen responses and creative compositions relating to the Area of Study, Belonging, and an overview of Modules A, B and C.
✓ Students will be shown techniques on how to maximise their marks when answering HSC examination-type questions.

STUDENTS LEARN

Exam strategies including:
✓ Insightful question interpretation
✓ Essay writing strategies
✓ Structuring of textual forms including speech, article, panel discussion, and interview
✓ Time management
✓ Exam practice questions with individual feedback
✓ Analysis of marking criteria for the new Area of Study, Module A, B and C

COURSE OBJECTIVES

✓ To learn how to integrate the Board of Studies requirements for a Band 6 response
✓ To analyse sample Band 6 responses
✓ To learn how to effectively integrate the core texts and related material
✓ To improve the clarity and cohesiveness of short and long written responses
✓ To respond to HSC exam style questions (based on the new syllabus electives) under exam conditions, and receive individual feedback
✓ To analyse markers’ notes from past HSC questions

STUDENTS RECEIVE

✓ 3 hours x 5 days of tuition from an experienced teacher
✓ Sample Band 6 essay responses
✓ Past exam papers
✓ A full set of resources, which consists of over 200 pages of key information

WHO SHOULD APPLY

Year 12 English Advanced students who need to:
✓ Revise their knowledge and understanding of core topics in the HSC English Advanced course.
✓ Improve their written communication skills for the HSC exam.

TEACHER PROFILE

Liz Shek-Noble
Qualifications:
Bachelor of Architecture & Arts (UNSW)
Bachelor of Arts (Honours 1st Class) (University of Sydney)
PhD in English Literature (ANU)

Elizabeth is a PhD candidate at The Australian National University and is writing her thesis on the aesthetics of animal suffering in modernist literature. Her research interests include Derridean deconstruction, the politics of the (post) human body, theories of quotation and citation and the literature of James Joyce. Elizabeth has over four years of teaching and tutoring experience in English, Modern History and Music.

WHAT OUR PAST STUDENTS SAY

“The resources were very concise and comprehensive. I didn’t realize that I could review so much content in such a small time frame. I learned how to improve my short and long response answers, and I feel a lot more confident now.”

– Raymond Ng, 2011 HSC Student
